

Downloading and Signing into Vexus Mobility | Cell Phone Version

On your cell phone :

Go to the App Store (Apple) or GooglePlay (Android)

» Search for Vexus Mobility

» Download Vexus Mobility

Your login will be:

Username = your deskphone # - ex. 6055251414

Password default – Vexus1234

Select **Sign In**.

The cell phone app will allow you to make and receive calls as well as chat, just like your desktop app.

NOTE: It does not have capabilities of screen sharing.
